

Join our Twitter.... BarrettTeamTwit!

Here is how...

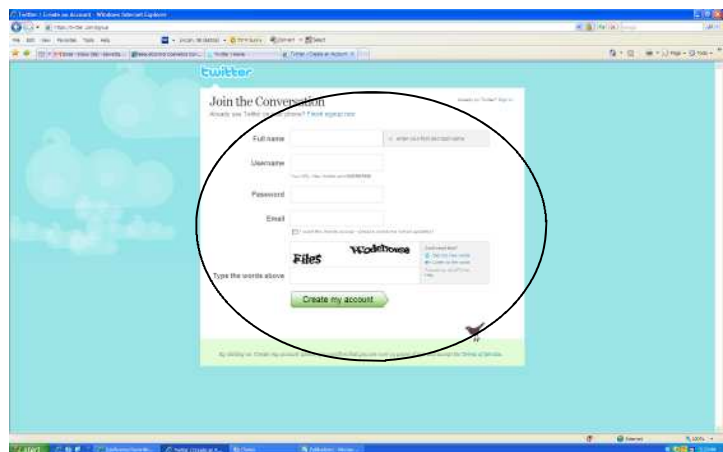

Click the link on the home page at barrettteam.com. (see the circle)

Click on the Join Today (see the circle) this will walk you through setting up a Twitter account.

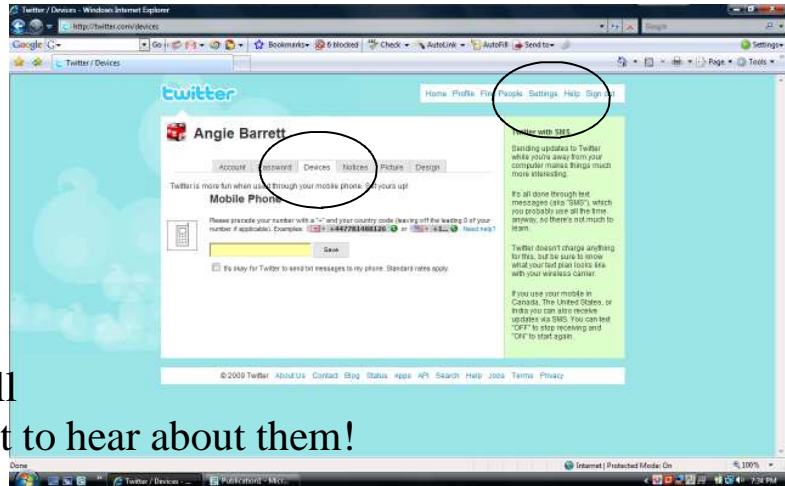

It's super easy! Pick a fun username that you can remember and don't forget to write your password down!

Join our Twitter.... BarrettTeamTwit! Con't

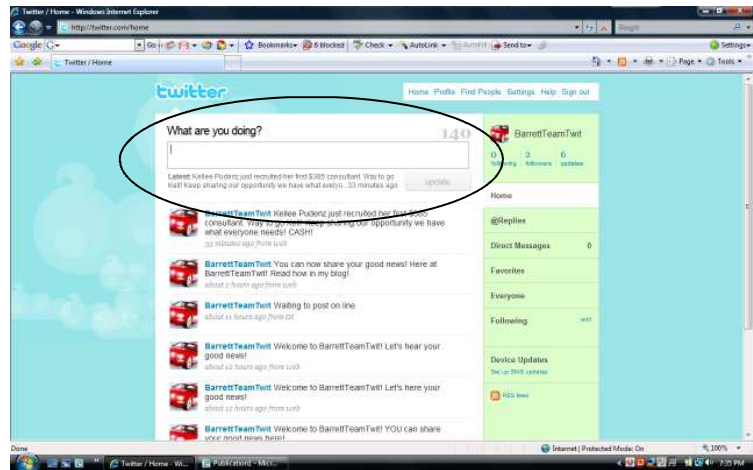

Have the updates sent
To your cell phone
Here is how...

Click the link on settings...
Then click on Devices...
(see the circles) Follow the
directions to link to your cell
phone! You will be the first to hear about them!

Now you are ready to share
your Good News on our
BarrettTeamTwit!
Here is how...
Go to www.twitter.com
Log in as:
BarrettTeamTwit

Enter Password:
bc2009

Go to the home page (see circle) Post your good news! It has to be less than 130 characters! Hit update! You have twittered! It will be posted on barrettteam and sent to all of our cell phones. Hint make sure that you are following BarrettTeamTwit from your own Twitter account (you opened this when you first started!) Make sure you link your cell phone at your personal account! Finally, I have made BarrettTeamTwit public for barrett team members. Please don't share the password with the general public. Abuse of this account will result in it being removed from Barrettteam! Have fun!
